Local Businesses CARE for Animals

Three local businesses are working to help Loudoun's animals by supporting Animal Care & Control's CARE program. CARE provides pet owners in need with food, medical assistance, and other services to help keep pets in loving homes.

VIP Boarding Kennel and Leah Knode, VMD of **House Paws In-home Veterinary Care** have teamed up to collect food donations for and provide in-home medical assistance to pets in the CARE program.

Beginning Memorial Day Weekend and continuing through Labor Day Weekend, you can help support

C.A.R.E.'s Animeals program by bringing your tax deductible food donations to VIP Boarding Kennel. VIP will match all of your donations pound for pound. For her contribution, Dr. Knode will donate in-home, preventive care for pets in the program and serve as an on-going resource for veterinary services including basic vaccines and wellness checkups.

For more information, visit www.vipboarding.com or www.housepaws.com.

And, as part of Virginia Yoga Week June 6-13, **Flow Yoga** in Leesburg will be offering one Karma Class per day

to support the CARE program. They will be collecting canned & dry dog/cat food, gift cards to stores that sell pet supplies as well as monetary donations. You may drop off donations at ANY time at Flow Yoga's studio! For more information on Flow Yoga and Virginia Yoga Week, www.gowithyoga.com.

Thank you to all these local businesses who are supporting the CARE program and helping Loudoun's pets stay in their homes!

May Employee of the Month

Kelly Burnell is May's Employee of the Month! Kelly is being recognized for her excellent and unselfish work as an Animal Care Technician. The daily effort she provides in support of her co-workers in addition to performing her own assigned tasks is outstanding. This month, her coworkers and supervisors recognized her exceptional work including her quick actions preventing a fire at the shelter; transporting dogs to a kennel because

of recent floor resurfacing work; helping with scrubbing and degreasing the hallway; driving pit bull puppies to DC Humane; capturing birds that were loose in a residents car; and working with other staff to ensure behavioral assessments were completed.

Her hard work and commitment to the care and welfare of the animals housed at the shelter is highly commendable and reflects great credit upon herself and the Department.

Thank you Kelly for all you do!

Congratulations Kelly!
